bhatiayajur97@gmail.com | 7508727800

Passionate and AWS-certified Cloud and DevOps Engineer with a strong foundation in cloud computing, infrastructure automation, and application lifecycle management. Eager to leverage expertise in AWS, DevOps practices, and problem-solving to deliver efficient and scalable cloud solutions.

Certifications

- AWS Certified Solutions Architect – Associate (SAA-C03)
- AWS Certified Cloud Practitioner

Technical Skills

- **Cloud Platforms:** AWS
- **DevOps Tools:** Git/GitHub, Docker, Kubernetes, Terraform
- **Programming/Scripting:** Bash, SQL
- **Monitoring/Logging:** CloudWatch, Splunk, Elastic Search
- **Databases:** MySQL, SQL Server, Snowflake

Professional Experience

Priority Tech Holdings | Chandigarh Associate Engineer- **Since June 2022**

- Supported over 4 CRM and Fintech products, ensuring 99.9% operational uptime and resolving over 50 technical issues monthly.
- Improved system performance by 30% through SQL query optimization and database troubleshooting.
- Conducted comprehensive manual testing and API validation, leading to a 15% reduction in production bugs.
- Collaborated with cross-functional teams to implement technical solutions, reducing ticket resolution time by 25%.
- Played a key role in upgrading product workflows, enhancing processing efficiency by 20% for critical tasks.

Projects

Devops with AWS

- Designed and deployed AWS infrastructure leveraging S3, Lambda, and DynamoDB to build scalable and reliable solutions.
- Built a CI/CD pipeline using terraform integrated with GitHub for continuous application deployment.
- Automated deployments using AWS CloudFormation and implemented monitoring and alerting with CloudWatch to ensure 99.9% availability.

Education

Chitkara University, Punjab
Bachelor of Technology in CSE
Graduated in July, 2023
